COVID-19 – TBA REOPENS **(FROM 28 NOVEMBER 2021)**

With several COVID-19 abatement strategies implemented, the situation is gradually showing signs of stabilizing. And with a higher world population having received their necessary vaccination, more social, economic, and religious activities had been allowed with either partial or full resumption.

Effective from **28 November 2021 (Sunday)**, TBA will reopen albeit in a calibrated manner. Suspension on most on-site activities (*excluding* Sunday Dhamma Class and any organized social functions and/or outings) will be lifted. If you would like to request for example, Special Blessing Service for a special occasion, you may reach us at info@tisarana.sg or for Maraṇānussati Service request, you may reach us at mobile no. 9154 8767 to arrange. Opening hours (excluding significant religious event days) will be as follows until further notice:

Day	Time (Morning – Afternoon)	Time (Evening)
Monday to Friday	1030hrs to 1300hrs	1900hrs to 2000hrs
Saturday		1800hrs to 1900hrs
Sunday	1000hrs to 1300hrs	

For your own primary safety, and precaution, if you are unvaccinated or may have recently just recovered from COVID-19, kindly refrain from visiting TBA premises. If you are visiting TBA premises, you are strongly encouraged to undergo a self-administered Antigen Rapid Test (ART) before your visit, even if you are fully vaccinated. Only a negative test result person may enter the premises. While at the premises, everyone is requested to mindfully observe all prevailing Safe Management Measures (SMMs) and/or guidelines at all times. If you are unwell or have a positive test result, you are reminded to seek immediate medical assistance and avoid visiting any places.

All eligible persons for vaccination, are strongly encouraged by the authority to get your vaccination as soon as possible. Everyone who is eligible for the booster programme (<https://www.vaccine.gov.sg/>) is also urged to step forward to receive the booster dose. All eligible persons who are Singapore citizens, permanent residents and long-term pass holders will be able to walk into any vaccination centre, polyclinic or participating Public Health Preparedness Clinic (PHPC) for your shot.

We welcome everyone back to TBA though in a calibrated manner. Let us not let our guards down but to continue to remain vigilant and do whatever is necessary to reduce the risk of COVID-19 transmission. May you and your dear ones be safe, blessed, well and protected by the Triple Gem.

With Mettā,
TBA Management Committee
